Principal Update

Dear Parents

Well, we have made it to our 100th day of the school year. Today, many of our students came dressed as 100-year-olds or in some other fitting costume. One class was on a scavenger hunt, and another was looking for 100 autographs and an enjoyable day was had by all.

Last Sunday we held our annual open house for prospective families - what a tremendous success! Staff were busy the entire time giving tours to our twenty-five prospective families. Thank you everyone who sent friends to see STS for a tour.

As we prepare for the next school year, I would encourage our families who are requesting financial aid to visit FACTS and complete the application by the February 28th deadline. Per Diocesan guidelines, we are not able to award financial assistance to a family without a completed and verified FACTS application. I would also like to encourage families who utilize after school care to apply for the Cabrini Fund. Qualifying families may receive up to

\$100 per month in financial assistance for after-school care. Please visit their website for more information <https://dioceseofprovidence.org/childcare-scholarships-cabrini-fund> . We are attaching an application for your convenience.

Believe it or not, we are already starting to prepare for our summer program. This year we will be offering a full-day camp (from 9 am to 2 pm) that will run the weeks of July 10th, July 17th and July 24th. Students will once again have archery, martial arts, dance, arts and crafts, games, and some enrichment activities (math and reading). We look forward to updating you with our progress as we develop this summer's activities.

Enjoy your weekend.
