Principal Update

Good Afternoon Parents,

I hope this weekly newsletter finds everyone well and in good health. As spring approaches, the parent council and the staff have been busy planning activities for our students and families. The Parent Council met on March 9th to plan spring events. They would like to remind everyone that Cowboy Bowling is next Sunday (the 26th). If you are

planning to attend, please sign-up by Wednesday, March 22nd. A flier with all the information is included in this newsletter. We are hoping to see everyone there. It was a huge success last year!! Also in the works is a Sweetheart Dance and a carnival night.

Next Thursday we have a wonderful event planned for our students. Koinonia Academy High School Choir from Plainfield, New Jersey is touring our area and has offered a concert for our students. Their choir has been touring for twenty years, providing audiences with contemporary Christian music, personal faith witnesses and prayer.

The staff has been busy preparing for our NEASC (New England Association of Schools and Colleges) accreditation visit. The team arrives on Sunday, March 26th and will be here until Wednesday, March 29th. They will be visiting classes and meeting with constituents (students, parents, board members, alumni, teachers, and staff) while they are here. We are quite excited as this is our ten-year renewal with NEASC which is globally recognized for its standards of excellence.

A reminder that Monday is Spring Picture Day. It is also a formal mass day. Uniforms are not required for pictures, but we would ask that clothing be selected that is in keeping with a formal mass.

Have a wonderful weekend!
Sue Mansfield

Tardiness

We have had an increase of students coming to school late. **It is imperative that students are here by 8:00 am (using the carpool lane).** Students arriving late are interrupting the morning routines of the classrooms. Please try to be here on time! We appreciate your efforts!

Volunteers Needed

The STS Parents Council is planning a Carnival on June 2 (rain plan TBD). The free outdoor event for K-8 students and their families will celebrate the end of the school year. We'll use the school's parking lot and grassy areas for the event.

Volunteers are needed to help create interactive activities for children to enjoy (like we do for trunk-or-treat). Some [ideas](#) include creating a ring toss, basketball contest, fishing games, dance dance revolution, bean bag toss, mini golf. We are also looking for donations to be raffled off at the event. If your family is interested in creating a "booth" experience or making a donation, please contact Stephanie Fortunato (spfortunato@gmail.com) or Joanna Hetland (joannahetland@gmail.com) to discuss.
