Principal Update

Happy Easter!

What a blessing this past week has been. Every Friday during Lent our school participated in Stations of the Cross, led by Father Barrow. Last Friday, we held the final stations. It has been a blessing to watch each class, in turn, offer the readings for Stations of the Cross and to watch them grow in their understanding of the Lenten season.

Yesterday the third grade wowed their parents with the Hall of Presidents. Each third grader has been studying a President of the United States. The unit concluded on Thursday when they presented their President to parents in

the church hall. Nice job third grade!

If you have not already done so, please make certain to complete the re-registration process for next year through FACTS. Please also complete your financial aid applications. We are getting close to the time when we make financial aid awards and, per diocesan policy, we cannot make any financial aid awards unless the financial aid application has been verified through FACTS.

The Parent Council has been selling tickets to the Sweetheart Dance - all the information is included in this newsletter - please make sure to get tickets for your daughter and her special person to attend!

We will once again be holding SMILES Summer Camp. We had a very positive response from our survey last week. All camp information will be sent home immediately following vacation. This year parents may choose between a half-day of camp or a full-day of camp. Provided there is interest, we also plan to offer extended day. We plan to offer the same high quality programming which will include academic reinforcement in math and reading, archery, martial arts, dance, arts and crafts, painting, water days and a ninja course on the last day of camp.

I wish everyone a blessed Easter - please remember that vacation starts today - there is no school on Friday or next week.
