Principal Update

Dear Parents,

What a wonderful week this has been. We spent the first part of the week with NEASC. It was a great visit - they loved meeting the students and visiting classes - A special thank you to everyone who helped make this visit successful.

Now that NEASC has been completed we are now looking forward to planning end of year activities for our students and we are looking forward to planning for our SMILES Summer Camp.

A survey was sent out earlier this week concerning the SMILES Camp - please take a few minutes to complete the survey. If there is interest from our parents, we are planning to offer camp for a full day (until 2:00) and offer aftercare until 4:00. We need your input to know whether we should proceed to a full day.

The Parent Council hosted a wonderful Cowboy Bowling Event last Sunday - more than 60 were in attendance and everyone had a great time! If anyone has any pictures from the event, we would love to have them for the yearbook and Facebook.

The Parent Council is now working on the Sweetheart Dance - "An Enchanting Evening". Our young ladies may invite the adult of their choice to this dance to be held on Saturday May 6 at the Boundary. We hope you can attend. Fliers and sign-ups are going home today. Also in the works is a school carnival to be held in June.

Just a friendly reminder to **complete the re-enrollment on FACTS for next school year**. If you need any assistance please email me at sdandurand@stteresapawtucket.org or call the school at 401-726-1414.

I hope everyone has a wonderful weekend.

Principal

Second Grade Bake Sale

Second grade is hosting a bake sale on Monday 4/3 until Wednesday 4/5 to help with the cost of an educational program called Project Chick. First and second graders will learn all about the life cycle of chickens through a two-part program. The first part of the program is egg day which consists of a presentation by Casey Farm and the setup of the incubator. The second part is a field trip to Casey farm to return the hatched chicks, learn more about their habitat and other fun things around the farm. We look forward to your support and thank you in advance!!
