Principal Update

Dear Parents,

A very special Mother's Day wish to all our mothers and grandmothers!

A big thank you to the parent council for the Sweetheart Dance last weekend. I've heard rumors that it was an excellent evening and enjoyed by all. Even though it is near the end of the year, the work of the parent council has not ended. They are now organizing a school-wide "Carnival" Fun Night for June 2nd from 6 to 8 pm. There will be games, contests, food, and other fun activities. They would love volunteers (see flier below for contact information) and hope that everyone will join us. The "Carnival" Fun Night will be followed by an outdoor movie night at Saint Teresa Church - we hope that families will stay and enjoy a night at the movies (see flier below).

A BIG SHOUT OUT to grade two who will be making their first communion this weekend.

Congratulations to grade 8 on their successful car wash last weekend. Proceeds will help defray the cost of their eighth-grade class trip. Thank you to all who volunteered and all who came to get their cars washed.

Just a reminder of the policy that children should not remain in the schoolyard after dismissal time to play. Aftercare students use the schoolyard as part of the aftercare program and the presence of other children creates safety issues.

It was an exciting week in Grades 1 and 2. Mrs. Allard and Mrs. Viera purchased a butterfly garden. The kids observed their caterpillars as they transformed into beautiful butterflies. Wednesday they were released as students in both grades cheered them on. Grades 1 and 2 are also quite excited as they prepare for the hatching of

their chicks. Right now they are being incubated, but next shortly we should have some baby chickens running around.

Music classes have been working hard this year. Grades k through 5 have been preparing songs for their upcoming spring concert (May 31st) and students in grades three through five have been practicing their recorders in preparation for a visit with the Rhode Island Philharmonic on May 26. The Rhode Island Philharmonic has a partnership with Carnegie Hall's Weill Music Institute's music literacy program - Linked Up. We look forward to a sample of their talents at the spring concert! Teachers have steadfastly been organizing field trips for the spring - by the end of the year, every class should have participated in at least one field trip.

On Thursday, May 18, Grade 6 will be hosting a very special mass. The Bishop will be officiating this mass and we are excited for him to visit with our school community.

Next week we will begin the process of making financial aid awards. To be considered you must have completely finished the registration process, have completely finished and been verified through FACTS with a financial aid application and tuition must be current for this school year.

Enjoy the sunshine and warm weather this weekend!
