- Tuesday, January 2
 - Students return to school

Books, Books and More Books!

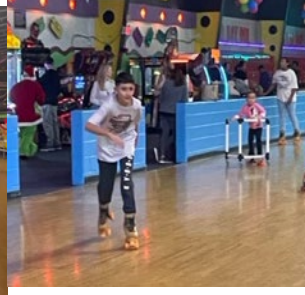

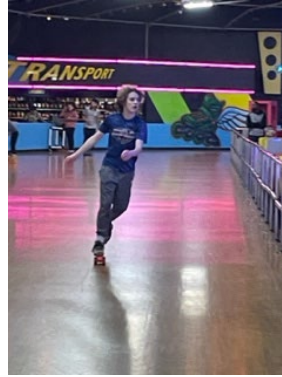

Our second-grade students were challenged to read as many books as possible from September- December. For every book read, students were able to add a link to their paper chains! Collectively, the class read around 750 books!

Principal Update

Dear Parents,

As December unfolds, we find ourselves fully immersed in Christmas activities. The Christmas season is not only a magical time of year, but it is also a reminder of the strong bonds that connect us as a school family. I would like to thank everyone who attended parent-teacher conferences. It was a wonderful opportunity for us to share with you the many accomplishments of your children. Conferences were followed by a night of Roller Skating at United Skates. Whether a novice or a master skater – everyone had a great time – they even met the Grinch!

Tuesday morning, we had the opportunity to watch Ocean State Ballet perform segments from the Nutcracker. They loved the performance and wanted their pictures taken with Nutcracker and crew. If you would like to take your family, there are upcoming performances of the Nutcracker by Ocean State Ballet (see the flier).

Saturday Night is the tree lighting, sponsored by the Parent Council. Everyone is welcome to attend the 4:00 mass, with the tree lighting to follow. Each homeroom has a tree that they have been responsible for decorating – and they are looking awesome!

Next week is the Christmas concert – the information concerning arrival times etc. has been sent out in a separate email. If you have any questions, please feel free to call the office.

Holiday card raffles continue to be sold. Remember – for every five cards that a student sells, she or he is entered into a drawing for a 50-inch color television and a drawing for a laptop. The prizes range from gift certificates to local restaurants to cash prizes. They make wonderful presents and we are hoping for 100% participation from our students.

Thank you for your active involvement in our school activities and events – it is what makes our school community truly special!
