Principal Update

WOW! What a great start to a new school year.

We have officially received our NEASC accreditation. We had many commendations - the visiting team was particularly impressed with the school's commitment to its mission and the strong sense of community that exists at Saint Teresa's. Thank you to our students and families for making Saint Teresa community so awesome and for supporting the mission of the school.

Grandparents' Day last Friday was fantastic! It was so nice to have the opportunity to share a mass with the grandparents of our middle schoolers and to share a meal with all our grandparents. We're already planning for next year!

Yesterday, 240 of our students took their oaths as junior firefighters. The Pawtucket Fire Department presented a fire safety and prevention program at our monthly assembly. After the assembly students had a tour of a fire truck and ambulance and some had the opportunity to use the fire hose. It was an awesome day and a great learning experience for all.

Attached you will find a flier for an upcoming fundraiser - we need you to do a little fall cleaning and bring in shoes that are no longer being used. Our goal is to collect 4000 pairs of shoes. We will be working with a company out of Connecticut called Funds2Orgs. Our goal is 4000 pairs of shoes for which they will donate to the school \$2,000. The shoes collected are given to developing countries. Please ask families and friends to donate also. The class that brings in the most shoes will be treated to a pizza party!

Have a wonderful weekend everyone!

News from Grades 3-5

This week grades 3,4, and 5 spent some time learning about the tragic event of 9/11. The focus of this lesson was the importance of first responders. They learned how many of them risked and lost their lives to save others. In remembrance of this event, they spent time in class making cards for our local heroes. These will be given out to stations around our community.
