Principal Update

Dear Parents,

As we journey through the season of Lent, we are reminded of the opportunity for reflection, growth, and spiritual renewal. Here at Saint Teresa School, we are committed to nurturing not only the academic excellence of our students, but also their moral and spiritual development rooted in the rich traditions of the Catholic faith. We continue to experience our faith at weekly masses, and, for the Lenten season, we live our faith as we attend Stations of the Cross.

We are thrilled to announce the launch of our **Summer Academic Enrichment Program** tailored specifically for students currently in grades two through seven. This program offers a unique opportunity for our students to further enhance their skills in reading, writing, and mathematics during the summer break. Designed with our students' academic growth in mind, the program will provide engaging and interactive learning experiences that not only reinforce essential concepts but also foster a love for learning. With a dedicated team of experienced educators, we are committed to ensuring that each student receives personalized attention and support to excel academically. We believe that investing in our students' education during the summer months will not only bolster their academic achievements but also set them on a path towards continued success. We invite you to enroll your child in this enriching program and join us in shaping their

educational journey (flier attached).

Registration for our **SMILES Summer Camp** is now open for pre-K through grade 2 students! Our SMILES (Soaring Minds Ignite Learning Every Summer) Camp offers a dynamic and enriching summer experience designed to ignite creativity, curiosity, and a love for learning in our youngest learners. With a blend of engaging activities, including arts and crafts, outdoor adventures, archery, dance, martial arts, and hands-on STEAM projects, our camp provides a stimulating environment where children thrive. Led by our experienced staff, the SMILES Summer Camp promises to be a fun-filled journey of discovery and growth for your child. Don't miss out on this exciting opportunity to make lasting memories and friendships this summer! Register your child today to secure their spot in our SMILES Summer Camp (flier attached).

We are pleased to inform you that the end-of-term report cards will be available for viewing starting Monday afternoon. These reports reflect your child's progress and achievements throughout the term, providing valuable insights into their academic growth and development. However, we kindly remind you that all outstanding tuition and fees must be settled to gain access to your child's report card. As per our school policy, access to report cards will be denied to families with overdue balances. We appreciate your cooperation in ensuring timely payment, allowing us to maintain the quality of education and services provided to our students. Should you have any questions or concerns regarding tuition and fees, please do not hesitate to contact our administration office. Thank you for your continued support and partnership in your child's education.

Together, let us continue to foster an environment where our children flourish intellectually, morally, and spiritually.

Sincerely,

Sue Mansfield

Volunteers Needed!

A blue poster with white and yellow text and graphics. At the top, two megaphones point towards the center. The main text is in large, bold, white letters. Below that, there's a smaller line of text. Then, two event dates are listed in white. At the bottom, there's a line of text and an email address. The bottom corners feature colorful hand graphics.
