- Sunday, April 28
  - Boys Someone Special Event
- Sunday, May 11
  - Girls Someone Special Event

## Principal Update

Hello Parents,

I am certain that everyone is aware of the solar eclipse that we will experience on Monday, April 8th between 2:15 and 4:40 pm. At 3:29. 90% of the sun will be blocked. Please remember that it is dangerous to look directly at the sun without specialized eye protection for a solar eclipse. We will be informing the children at school of the dangers of looking at the sun, and we would ask that you also speak with your children about the importance of not looking at the sun without wearing specialized glasses. The time of the eclipse begins at dismissal time. If you are uncomfortable with your child being dismissed at this time, you are more than welcome to pick your child up earlier. For more information on solar eclipse safety, please visit the American Academy of Ophthalmology.

A big shout out to the International Club and Mr. Q, their moderator, for a super successful International Night. Last night 21 countries were represented with food, music, games, and information about the country. Almost 200 people were in attendance, and all had an awesome time! Saint Teresa School is very proud of its diverse student population and our International Night is a wonderful celebration of that diversity. Thank you to all who came and participated!

Mrs. Bonner is still seeking a soccer coach. Mrs. Bonner will be coaching volleyball but needs a parent who will volunteer to assist. If anyone has experience as a soccer coach and an interest in working with a winning team, please reach out to Mrs. Bonner by calling the school. A small stipend is offered. If we do not have a coach, we will not be able to have a team, so it is really important that everyone helps to find a coach.

This Wednesday we will be having our annual dental screening for all students in kindergarten and grades five and seven. If, for any reason, you do not want your child to be screened, please let the nurse know by emailing [dlarue@stteresapawtucket.org](mailto:dlarue@stteresapawtucket.org).

Monday, we have a formal mass, which means that students will not be having their dress down day on Monday. We will, instead, have dress down on Friday.

As you are aware, Mr. Gallucci (middle school math teacher) has been battling some health issues. Yesterday he had heart valve surgery, and I am pleased to say that he is doing well. The surgery went well, and he is on the mend. Mr. Gallucci will be out on medical leave for a few weeks, but we have secured a long-term substitute who will pick up right where Mr. Gallucci left off. His name is Mr. Oluwasegun - the kids may call him Mr. O. and we are more than happy to welcome Mr. O to our team.

Registrations have begun for SMILES Summer Camp and our new summer enrichment program. Please see attached fliers for more information.

Have a great weekend and remember to discuss with your kids eye safety during a solar eclipse!

Sue Mansfield

## PTO Updates!

- Results from the Otis fundraiser. \$1,020.20 and top selling student was Sophia Duarte from 1st grade with 47 boxes sold. Way to go Sophia!
- Mother son event on April 28th - money deadline is next Friday April 12th. The event will need to be cancelled if we do not have enough participation!
- Otis Spunkmeyer pickups will be on Monday April 22nd at 5:30 at the school.
- Father daughter dance on May 11th - money deadline is Friday April 29th.
