Week 9

From Ms. Mansfield,

We are busy preparing for our annual Turkey Trot - sponsor sheets/permission slips went home last week and we are busy organizing volunteers. We would like to invite parents to volunteer for this fun and festive event! We need volunteers to walk with classes and help hand out water, ensuring a safe and enjoyable experience for all participants. If you'd like to lend a hand, please remember to call Mrs. Pereira. Volunteers will need to come in this week for a background check and Safe Environment Training. To add to the excitement, prizes will be awarded to the top three students who bring in the most sponsorships, and the class that raises the most will enjoy a pizza party! Thank you for your support in making this event a success!

Academic Updates

Mandarin Chinese

This year we introduced electives to our middle school students, offering exciting opportunities to explore new interests and build valuable skills! One of the electives being offered is Mandarin Chinese. Each week students learn Mandarin from a community of instructors based in China. Each lesson is focused on language acquisition and culture while gaining a global perspective with Ms. Corr. This program is being offered through Meg Languages.

STARS of the Week

Parent Council

This week, we're thrilled to recognize our amazing Parent Council as our Stars of the Week for their exceptional organization of Trunk or Treat! Their hard work, and creativity, transformed our school parking lot into a festive Halloween wonderland, filled with decorated trunks, costumes, and treats galore. Thanks to their efforts, our kids enjoyed a safe, memorable night of Halloween fun with friends, family, and our school community. We're so grateful for the Parent Council's commitment to creating special experiences that bring our community closer together. A heartfelt thank you to everyone involved for making Trunk or Treat a spook-tacular success
